

Baylor University

DIANA R. GARLAND SCHOOL OF SOCIAL WORK

Post Date: March 8, 2022

Agency Name	Burke Center for Youth
Job Title	Behavior Therapist
Job Description	<p>About us Pathfinder's Ranch is Burke Center for Youth's residential treatment facility for 11-17 year old boys. Every resident who comes to us has been removed from his home due to trauma and associated behaviors. We help these adolescents to begin the healing process through therapy (individual, group, equine), education at the on-site school, and the day-to-day chores involved with maintaining our 55 acres. Through these activities and the daily interactions with people who truly want good things for these children, we feel that every story is a success story. Looking for a TEAM PLAYER. JOB SUMMARY The Therapist provides individual, group and family therapy, crisis intervention services, psychoeducation presentations and substance abuse/prevention groups for clients. JOB RESPONSIBILITIES Provides therapy for up to 15 residential clients. Provides clinical consultation concerning client needs to CPA and other members of the client's team. Provides psychosocial assessments and contributes to treatment planning and discharge summaries. Works closely with treatment director and other therapists to provide comprehensive client care. JOB QUALIFICATIONS ASOTP, LSOTP, LPC or LCSW only please Two (2) years' experience in sexual issues treatment or three (3) years experience in related fields. Experience working with addictions and mental health. Experience using a variety of interventions including DBT, CBT, Family Systems. Ability to demonstrate understanding of a variety of models and theories of addiction, mental illness and related issues. Knowledge of philosophies, practices, policies and outcomes of models of treatment, recovery, relapse prevention and continuing care for dually diagnosed populations. Understanding of diagnostic criteria for dual conditions and the ability to conceptualize modalities and placement criteria within the continuum of care. Ability to demonstrate an understanding of diverse cultures and gender-specific issues and ability to incorporate needs of gender and culturally diverse groups into practice setting. Excellent organizational skills, including the ability to prioritize workload and work independently. Proficient computer skills. Strong verbal and written communication skills. **Must be eligible or enrolled as a Texas Medicaid provider and Superior Health.** Equal Opportunity Employer</p>
